Colours

Black (RAL 9005)

Burned Red (RAL 8015)

Olive (NCS S8005-G80Y)

White (RAL 9016)

Brushed Brass

In Denmark, where winters are cold and long, creating a warm, cozy atmosphere is a way of life. There is even a Danish word for it – hygge – which explains our national obsession with candles. The idea behind the Carrie LED Lamp is to honour hygge in the context of modern living. Lightweight and portable with a USB charger, the possibilities of the lamp are endless. Use it as a bedside lamp, on an office desk or as an alternative to candles on the dining table. Carrie is also perfectly sized for picnicking in the park, festival-going or moonlit walks on the beach.

About the Designer

Founded in Copenhagen in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn, Norm Architects specialise in residential architecture, commercial interiors, industrial design, photography and art direction. Today, the group regularly collaborates with MENU, helping to drive the evolution of the brand and its product offerings. Norm Architects' name reflects the group's emphasis on the importance of drawing inspiration from norms and traditions within architecture and design – particularly the Scandinavian design principles of timeless aesthetics and natural materials, and the modernist values of restraint and refinement. Guided by these principles, Norm Architects produce design that unites good materials and craftsmanship, while embodying beauty, traditions, history and, most importantly, timeless simplicity, where there is nothing more to add or take away.

Carrie LED Lamp

Technical Specifications

Production Process

The glass is mouth-blown opal glass with an acid finish. The body is powder coated steel.

Materials

Powder Coated Steel and Glass.

Weight item (kg/ lbs)

1 kg / 2,2 lbs

Voltage (V)

100-130 V

Light Source & Energy Efficiency Class

LED Panel (Included, not exchangeable)
3,7 Watt, LED, A+, 5000mAh Battery

Light Specification

384 Lumen max
2700 Kelvin
Ra > 80

Dimmer

Yes, 3 steps

Canopy

No.

Cord Material and Color

PVC, Black (Cord for Charging).

Cord Length (cm / in)

70 cm / 27,6"

Classification

CE and IP20

Certifications

EMC: EN 55015:2013; EN 61547:2009; EN 61000-3-2:2014; EN 61000-3-3:2013;
EMF: 62493:2010
EN 62471:2008

Packaging Type

Giftbox

Packaging Measurement (H * W * D)

29 cm * 16 cm * 16 cm

Care Instructions

Use a soft dry cloth to clean. Do not use any cleaners with chemicals or harsh abrasives. Avoid using water.
