## Colours

Black (RAL 9005)

Burned Red (RAL 8015)

Olive (NCS S8005-G80Y)

White (RAL 9016)

Brushed Brass

In Denmark, where winters are cold and long, creating a warm, cozy atmosphere is a way of life. There is even a Danish word for it – hygge – which explains our national obsession with candles. The idea behind the Carrie LED Lamp is to honour hygge in the context of modern living. Lightweight and portable with a USB charger, the possibilities of the lamp are endless. Use it as a bedside lamp, on an office desk or as an alternative to candles on the dining table. Carrie is also perfectly sized for picnicking in the park, festival-going or moonlit walks on the beach.

## About the Designer

Founded in Copenhagen in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn, Norm Architects specialise in residential architecture, commercial interiors, industrial design, photography and art direction. Today, the group regularly collaborates with MENU, helping to drive the evolution of the brand and its product offerings. Norm Architects' name reflects the group's emphasis on the importance of drawing inspiration from norms and traditions within architecture and design – particularly the Scandinavian design principles of timeless aesthetics and natural materials, and the modernist values of restraint and refinement. Guided by these principles, Norm Architects produce design that unites good materials and craftsmanship, while embodying beauty, traditions, history and, most importantly, timeless simplicity, where there is nothing more to add or take away.

## Technical Specifications

### Production Process

The glass is mouth-blown opal glass with an acid finish. The body is powder coated steel.

### Materials

Powder Coated Steel and Glass.

### Weight item (kg/ lbs)

1 kg/ 2,2 lbs

### Voltage (V)

110-130 V

### Light Source & Energy Efficiency Class

Led Panel (Included, not exchangeable),  
3,2 Watt, LED, A+

### Light Specification

240 Lumen  
2700 Kelvin  
Ra > 80

### Dimmer

Yes, 3 steps

### Canopy

No.

### Cord Material and Colour

PVC, Black (Cord for Charging).

### Cord Length (cm / in)

70 cm / 27,6"

### Classification

CE and IP20

### Certifications

EMC: EN 55015:2013; EN 61547:2009; EN  
61000-3-2:2014; EN 61000-3-3:2013;  
EMF: 62493:2010  
EN 62471:2008

### Packaging Type

Giftbox

### Packaging Measurement (H \* W \* D)

29 cm \* 16 cm \* 16 cm

### Care Instructions

Use a soft dry cloth to clean. Do not use  
any cleaners with chemicals or harsh  
abrasives. Avoid using water.
