## Care Instructions

For the frame, use a soft dry cloth. Do not use any cleaners with chemicals or harsh abrasives. For the glass and mirror, use a soft cloth with warm water. Dry straight away. For a more efficient clean, use commercial glass cleaners. NB: Spray on cloth and not directly on the mirror.

Rectangular Mirror - The look and feel of the statement Bath Series Floor Mirror is carried over to the more compact, vanity-style Bath Mirror. Of course, the elegant shape works just as well in the bath as in an entryway or bedroom, whether mounted on the wall or placed atop a dresser or counter. It comes in black and white, and is generously sized to give you the perspective you need while visually expanding your space.

## About the Designer

Founded in Copenhagen in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn, Norm Architects specialise in residential architecture, commercial interiors, industrial design, photography and art direction. Today, the group regularly collaborates with MENU, helping to drive the evolution of the brand and its product offerings.

Norm Architects' name reflects the group's emphasis on the importance of drawing inspiration from norms and traditions within architecture and design - particularly the Scandinavian design principles of timeless aesthetics and natural materials, and the modernist values of restraint and refinement. Guided by these principles, Norm Architects produce design that unites good materials and craftsmanship, while embodying beauty, traditions, history and, most importantly, timeless simplicity, where there is nothing more to add or take away.
