# Socket Occasional Lamp

Socket Occasional Lamp represents part of a study exploring the boundaries between minimalist sculpture and practical everyday objects by Danish design duo Norm Architects. A weighty, heavy lamp cast from brass, Socket Occasional Lamp is designed to fit perfectly on the desk, shelf or a nook in the home that needs to be lit. The inserted socket is easily removed, so that – with or without a bulb – the lamp also functions as a paperweight. The lamp is inspired by Norm Architects' recent work with geometric jewelery. "In our work, we aim for geometrical purity," the designers explain. "We want to arrive at the maximum expressivity with the minimum of expression. It's not about designing less of product. It's about soft, streamlined shapes that invite you to touch them."

## Product Type

Table Lamp

## Environment

Indoor

## Dimensions (cm / in)

H: 8,8 cm / 3,5"

Ø: 6,8 cm / 2,7"

## Colours

Brushed Brass

## About the Designer

Founded in Copenhagen in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn, Norm Architects specialise in residential architecture, commercial interiors, industrial design, photography and art direction. Today, the group regularly collaborates with MENU, helping to drive the evolution of the brand and its product offerings. Norm Architects' name reflects the group's emphasis on the importance of drawing inspiration from norms and traditions within architecture and design – particularly the Scandinavian design principles of timeless aesthetics and natural materials, and the modernist values of restraint and refinement. Guided by these principles, Norm Architects produce design that unites good materials and craftsmanship, while embodying beauty, traditions, history and, most importantly, timeless simplicity, where there is nothing more to add or take away.

## Technical Specifications

### Production Process

Sand Casted Brass with a Brushed Finish.

### Weight item (kg/ lbs)

1,42 kg / 3,1 lbs

### Classification

CE and IP20

### Materials

Solid Brass. Natural materials are subject to variations, therefore every single product is unique.

### Voltage (V)

100-130 V

### Certifications

EMC: EN 55015:2013; EN 61547:2009; EN 61000-3-2:2014; EN 61000-3-3:2013  
LVD: EN 60598-2-4:1997; EN60598-1:2015+  
AC:2016

### Light Source & Energy Efficiency Class E27

(Included), MAX 60 W, A++, A+, A, B, C, D

### Light Specification

360 Lumen

2700 Kelvin

Ra > 90

### Packaging Type

Gift Box

### Packaging Measurement (H \* W \* D)

14,5 cm \* 25,5 cm \* 25,6 cm

### Dimmer

Yes.

### Care Instructions

Use a soft dry cloth to clean. Do not use any cleaners with chemicals or harsh abrasives. Avoid using water.

### Canopy

No, but supplied with a black plug.

### Cord Material and Colour

Textile, Black

### Cord Length (cm/ in)

200 cm / 78,7"
