L: 43 cm / 17"

An elegant and modern watering can that's stylish enough to display alongside houseplants. Its beautiful polished metal, drip-free design and comfortable curved handle make Well Watering Can a joy to use.

## About the Designer

Torbjørn Anderssen and Espen Voll were born in Elverum, in 1976 and in Trondheim, in 1965, respectively. Both have been brought up in creative surroundings: Torbjørn the son of a musician and a teacher and Espen the son of a potter and an architect.

Anderssen & Voll set up shop in 2009. Their work spans textile design, tableware, lighting, furniture and electronics which they have performed for some of Europe's most renowned international brands. They have, indeed, played a pivotal role in the proposal of what has come to be known as «New Nordic»
